RECITALS

WHEREAS, as part of implementation of Assembly Bill 233 (Chapter 850 of the Statutes of 1997, hereinafter referred to as “AB 233”), County, Court and the Law Library Trustees entered into Agreement No. 4137 as of July 1, 1999 to set forth the terms and conditions under which the Court would continue to provide and County would reimburse Court for the costs of those services provided by Court to County and the Law Library commencing with fiscal year 1999-2000 which do not meet the definition of “court operations” set forth in Rule 10.810 of the California Rules of Court; and

WHEREAS, pending the Effective Date, Agreement No. 4137 remains in effect, having been amended in 2005 and 2014 to reflect changes in the location, type and manner of provision of some of the services, to add provisions relating to network security, to clarify the procedure for automatic adjustment of the reimbursement rates, and to make various technical changes; and

WHEREAS, the parties desire to continue their arrangement to provide certain services and to reimburse Court for services that are not considered “court operations,” and to amend and restate their respective obligations as set forth below, and to replace Agreement No. 4137 as set forth herein;

NOW, THEREFORE, for good and valuable consideration, the sufficiency of which is acknowledged, County, Court and Law Library Trustees agree as follows:

TERMS

1. **Term of the MOU.**

(a) Initial Term. The initial term of this MOU shall commence on July 1, 2025 and shall expire on June 30, 2026 unless terminated earlier in accordance with Paragraph 7; except that the mutual obligations of County, Court and Law Library Trustees under Paragraph 6 (Indemnification) shall continue in full force and effect after the date of expiration or early termination as to liability arising from events occurring prior to such dates during the term of the MOU.

(b) Automatic Renewal. The term of this MOU shall automatically renew for an additional year at the end of each fiscal year under the terms and conditions then in effect, unless a party gives the other parties written notice of intention not to renew no less than ninety (90) days prior to the expiration of the current term pursuant to Government Code section 77212. For

purposes of this MOU, "fiscal year" shall mean the County fiscal year commencing on July 1 and ending on June 30. The automatic renewals shall not extend this MOU past June 30, 2036, (10 renewals) without a written amendment to this MOU approved by the Presiding Judge, the Board of Supervisors, and the Board of the Law Library Trustees.

(b) Additional Services or Provisions. County may request that Court perform additional services beyond those described in the Scope of Services, and or the provide equipment, supplies, materials (collectively "Provisions"). County and Court must agree in writing upon a fee for the Additional Services or Provisions prior to Court's performance of any additional services or supplying of Provisions. The total cost of any additional services performed or Provisions supplied under this Agreement shall not exceed Five Thousand Dollars (\$5,000.00) in any County fiscal year.

4. **Method of Reimbursement.**

(a) County shall remit, by any mutually acceptable method, payment to Court for those amounts described in Section 1 of Attachment B.

(b) All reimbursement for Additional Services or Provisions and authorized travel incurred under this MOU shall be made only upon presentation by Court to County of an itemized billing invoice in a form acceptable to the Napa County Executive Officer and the Napa County Auditor-Controller. Court shall submit such invoices with appropriate backup detail quarterly to the Napa County Executive Officer or designee who shall review each invoice for compliance with the requirements of this MOU and shall within ten working days of receipt either approve or disapprove the invoice in light of such requirements. If the invoice is approved, the Napa County Executive Officer or designee shall remit payment to the Court. Notwithstanding the foregoing, the invoice for fourth quarter reimbursement shall be submitted by the Court no later than 30 days after the end of each fiscal year and, if approved, shall be paid within 30 days from receipt of invoice.

Court and the officers, agents and employees of Court are not, and shall not be deemed, employees of County or the Law Library Trustees for any purpose, including workers' compensation and shall not be entitled to any of the benefits accorded to employees of County or of the Law Library Trustees other than those granted to them through the collective bargaining process. Court alone shall be responsible for all such payments.

6. **Indemnification.** County, Court and Law Library Trustees shall each defend, indemnify and hold harmless each other as well as those of their respective officers, agents and employees who perform any services or duties under this MOU from any claims, loss or liability including, without limitation, those for personal injury (including death) or damage to property, arising out of or connected with any aspect of the performance by that party or its officers, agents, or employees, of the services or obligations required of that party under the MOU and related amendments.

7. **Termination/Remedies for Default.** Due to the restrictions on terminating the relationship between County and Court in Government Code section 77212, this MOU may be terminated by County and Court prior to the expiration date of the initial term or any automatic renewal thereof only with the mutual written consent of both County and Court. For this reason, the sole remedy for default by Court relating to provision of the services required under this MOU shall be through the equitable remedy of specific performance and the sole remedy for default by County relating to reimbursement for the cost of the services provided shall be through legal action for damages. Notwithstanding the foregoing, County, Court and the Law Library Trustees may terminate that portion of this MOU relating to services to the Law Library by mutual consent at any time, any of the three parties may terminate such portion of the MOU at any time upon giving the other parties no less than thirty (30) days prior written notice, and none of the parties shall be limited as to remedies for breach of such portion of the MOU.

9. **Notices.** All notices required or authorized by this MOU shall be in writing and shall be delivered in person or by deposit in the United States mail, first class postage prepaid; by deposit in a sealed envelope in County's internal mail system; by fax transmission; or by electronic mail. Any notice delivered in person shall be effective as of the date of delivery. Any notice sent by fax transmission or electronic mail shall be deemed received as of the recipient's next working day. Any notice sent by U.S. mail or County internal mail shall be deemed to have been received as of the date of actual receipt or five days following the date of deposit, whichever is earlier.

10. **Confidentiality.** Confidential information is defined as all information disclosed to Court in the course of Court's performance of services under this MOU, where such information relates to County's (or Law Library Trustees') past, present, and future activities, as well as activities under this MOU, and County or Law Library Trustees indicates in writing to Court that such information is confidential. 11. **No Assignments or Subcontracts.** A significant consideration of this MOU and subsequent amendments is the interrelationship of the services listed herein with Court operations and facilities which will allow the Court to efficiently provide the necessary services utilizing trained Court staff. For this reason, County, Court and Law Library Trustees agree that Court shall not assign any interest in this MOU, or subcontract any of the services Court is to perform hereunder without the prior written consent of the other party/parties, as applicable, which shall not be unreasonably withheld, except that no such consent shall be required for services which were provided by Court to County through subcontract as of the effective date of this MOU. County approval of subcontracts shall be made by the Napa County Executive Officer or their designee.

12. **Compliance with Laws.** In providing the services required by this MOU, each party hereto shall observe and comply with all applicable federal, state and local laws, ordinances, codes, court rules, and regulations, including Judicial Council regulations.

13. **Taxes.** County, Law Library Trustees, and Court each agree to be solely liable and responsible for all required tax withholdings including, without limitation, those for state and federal income and FICA taxes relating to their respective employees or subcontractors retained to provide the services under this MOU. The parties agree to indemnify and hold one another harmless from any liability Court, County or Law Library Trustees may incur to the United States or the State of California as a consequence of their respective failure to withhold such amounts when due. In the event that any of the parties are audited for compliance regarding any such withholding or payment of taxes, each party agrees to furnish the affected other parties with proof of the withholding.

14. **Access to Records/Retention.** County, Law Library Trustees, any federal or state grantor agency funding all or part of the reimbursement payable hereunder, the State Controller, the Judicial Council of California, the Comptroller General of the United States, or the duly authorized representatives of any of the above, shall have access to any books, documents, papers and records of Courts which are directly pertinent to the subject matter of this MOU for the purpose of making audit, examination, excerpts and transcriptions. Except where longer retention is required by any federal or state law, Court shall maintain all required records for five years after County and/or Law Library Trustees make final reimbursement for any of the services provided hereunder and all pending matters are closed, whichever is later.

15. **Amendment/Modification.** Except as otherwise provided herein, this MOU may be modified or amended only in writing and with the prior written consent of all parties. For amendments or modifications that to not affect the Law Library, County and Court may agree to

such amendment or modification in writing without the consent of Law Library Trustees, provided County or Court provides Law Library Trustees with the proposed amendment or modification at least 30 days prior to its consideration by the Board of Supervisors. Court must receive authorization from County pursuant to Paragraph 3(b) above prior to performing work beyond the scope of services prescribed by Attachment "A." Failure of Court to secure such authorization in writing in advance of performing any such extra or changed work shall constitute a waiver of any and all rights to adjustment in the reimbursement maximum or rates and no reimbursement shall be due and payable for such extra work.

16. **Conflict of Interest.** Court hereby covenants that it presently has no interest not disclosed to County and Law Library Trustees and shall not acquire any interest, direct or indirect, which would conflict in any manner or degree with the performance of its services or confidentiality obligation hereunder, except such as County (through the Napa County Executive Officer) and Law Library Trustees (through its President) may consent to in writing.

17. **Third Party Beneficiaries.** Nothing contained in this MOU shall be construed to create any rights in third parties and the parties do not intend to create such rights.

18. **Attorney's Fees.** In the event that either party commences legal action of any kind or character to either enforce the provisions of this MOU or to obtain damages for breach thereof, the prevailing party in such litigation shall be entitled to all costs and reasonable attorney's fees incurred in connection with such action.

19. **Interpretation.** The headings used herein are for reference. The terms of the MOU are set out in the text under the headings. This MOU shall be governed by the laws of the State of California. The venue for any legal action filed by either party in state court to enforce any provision of this MOU shall be Napa County, California, but any such matters shall be heard only before an assigned judge not presently sitting as a regular judge on the bench of Court. The venue for any legal action filed by either side in federal court to enforce any provision of this MOU lying within the jurisdiction of the federal courts shall be the Northern District of California.

20. **Authority to Contract.** County, Court and Law Library Trustees each warrant hereby that they are respectively legally permitted and otherwise have the authority to enter into and perform this MOU.

21. **Severability.** If any provision of this MOU, or any portion thereof, is found by any court of competent jurisdiction to be unenforceable or invalid for any reason, such provision shall be severable and shall not in any way impair the enforceability of any other provision of this MOU.

22. **Entirety of Contract.** This MOU constitutes the entire agreement between the parties relating to the specific subjects of this MOU and supersedes all previous agreements, promises, representations, understandings and negotiations, whether written or oral, among the parties with respect to the subject matter hereof.

23. **Counterparts.** This MOU may be executed in counterparts, which when taken together, shall constitute a single signed original as though all parties had executed the same page.

 - 1. **Technical Considerations.** Both parties shall apply industry "best practices" in regards to their interconnected networks, including:
 - (A) **Patch Management.** Keep servers and workstations up-to-date with the latest critical security patches. Although it is common to wait a certain period of time before applying patches, due to potential incompatibility risks, critical patches that apply to the servers that the Court and County support shall be applied as close to the release date as reasonably possible.

4. Reservation of Rights. Each party shall retain the right to temporarily bar access to its network systems by anyone, including the other party, when the party's information technology director (or other person performing that function) or designee determines that such restriction is necessary to deal with a security emergency, from whatever cause or source, and such temporary interruption of access may continue until the problem has been resolved.

The County shall charge Law Library Trustees for the actual costs County incurs in providing Library Associate services at least quarterly. Reimbursement for services will be paid to County by Law Library Trustees out of the Law Library fund within 10 days of invoice.

2. **Comprehensive Collections Program**

“Court operations” excludes enhanced collections pursuant to Government Code section 77003(b). The parties agree that the space license for the cold room space and the lease of the facility at 2350 Old Sonoma Road will be set forth in separate agreements. The parties further agree that because the fair market rental value of these facilities is at least equal to and may exceed the fair market value of the electronic access services and licenses provided by Court to County under this MOU, nothing in this MOU shall be construed to preclude the parties from agreeing, either as an amendment of this MOU or as a part of the separate space license and lease agreements, to the provision of additional services by Court to County in exchange for the waiver of all monetary lease rental or space license fee payments.

8. **Alternative Dispute Resolution (ADR) Program**
