Napa County Board of Supervisors

1195 Third Street

Napa, CA 94559

Dear Madam Chair and Members of the Board of Supervisors:

I am interested in filling the vacant seat on the Congress Valley Water District Board. As a resident of Congress Valley and a land use and zoning attorney for almost twenty years, I am qualified to serve as a director. I will qualify to serve at the time the election would have otherwise been held on November 5, 2024, and have unanimous support from the current board members. Please consider this letter as my formal application for the open position on the Congress Valley Water District Board under Elections Code section 10515(b).

Should you have any questions, please do not hesitate to contact me. Thank you for your time and consideration.

Sincerely,

Suzanne Besú Truchard, Esq.
