How MCE Works

You

Benefit from cleaner air,
stable rates, choice,
and local control

PG&E

Delivers energy,
maintains lines, and
sends bills

MCE

Buys and builds
fossil-free energy
for you

The background of the slide features a large-scale photograph of a renewable energy farm. In the foreground, rows of solar panels are visible, with the left side partially covered by a semi-transparent red circular graphic. In the background, several wind turbines stand against a sky with soft, colorful clouds from a sunset or sunrise. The sun is a bright, glowing orb on the left side of the frame.
