Processing an Application for a Temporary Events License

A temporary event is any festival, fair, show, showcase, house or garden design tour, concert, dance, rally, parade, demonstration of competition of creative athletic form to which the public is invited or admitted with or without the payment of an admission charge. Temporary events include, but are not limited to, music, dance, theater, speech, athletics, or any other visual, audio, or tactile arts or combination thereof, including incidental retail sales of the products of such activities, as long as such sales are not advertised off-site. This includes any other gathering or assemblage of individuals for the purpose of observing or engaging in expressive activities within the ambit of the First Amendment of the United States Constitution and Section 2, 3, and 4 of Article 1 of the California Constitution.

A temporary event is held at any place other than a highway (as defined in Section 10.24.010 of the Napa County Code), a permanent building or installation constructed and primarily used for the purpose of conducting public assembly.

All applicants shall be responsible for complying with the provisions contained in the Temporary Events Ordinance located in Chapter 5.36 of the Napa County Code.

A. Application for Temporary Event License.

1. Applications must be submitted for a license to conduct a Category 2A, 2B, 3, or 4, Subsequent Category 2A, 2B, 3, or 4 events. No application is required for a Category 1, 1A, 1B, Subsequent Category 1, 1A or 1B event.
2. The application and information forms require that the applicant provide some basic information as well as a detailed written description of the proposed event. When the application is submitted, a non-refundable, filing fee is collected to cover the costs of processing and analysis time, legal advertising, field investigations and similar matters.
3. One temporary event license application (for a single fee) may include a series of events of the same Category at the same site. However, each event will be evaluated independently for determination of the required separation between events, and the number of events allowed at any given site.
4. If there is a repetition of a licensed temporary event ("subsequent event") within twenty-four months, and the applicant, location, type and size of activity are substantially the same, the applicant must provide a new application along with a current Certificate of Insurance, Defense and Indemnification Statement, and a current set of mailing labels specifying parcel number, name, and address of all property owners, as shown on the last equalized assessment roll, adjacent to, or situated within 1000 feet of the event site property boundaries, a copy of all assessors' pages used in compiling the property owners list. (Note: This requirement applies to Category 3, 4, Subsequent Category 3, 4, and Subsequent Category 2A or 2B events involving a prior complaint.)

B. Review and Report by Agencies.

1. Upon receipt of the completed application and the application fee(s), Planning, Building, and Environmental Services (PBES) shall review the application for compliance with the Minimum Standards Table in this manual.
2. If the application is for a subsequent event, the departments and agencies must also indicate whether impairment of the health or safety of the participants, spectators or neighbors occurred during the previous event, or any unanticipated impairment of traffic flow resulted from that prior event.
3. See Napa County Code Section 5.36.040 for department's investigation and reporting procedures.

4. No temporary event license shall be issued until the certificate of insurance or satisfactory evidence of equivalent security has been filed with the Director.
5. The applicant is responsible for supervising all activities authorized by the temporary event license and for ensuring compliance with all required conditions. The applicant will provide the Director with the name the Event Supervisor who will be responsible for all on-site supervision during all phases of the event.
6. The temporary event license must be displayed in close proximity to the primary entrance to the event site and be available for public inspection at all times.

The following is a list of those public agencies to which temporary event applications will be submitted for comment. The first column lists agencies required to report to the Zoning Administrator whether they believe those standards and requirements in this Manual corresponding to their area of expertise will be met. The second column lists agencies beyond the County's jurisdictional authority that may have an interest in commenting upon the ability of the proposed event to comply with the standards and requirements in this Manual.
