NAPA COUNTY CHNA—2023 1

NAPA COUNTY
Health & Human Services Agency

PURPOSE AND PROCESS

- A CHA or CHNA is a comprehensive assessment that establishes the foundation for sustainable health improvements for Napa County
  - Performed every 3-5 years (includes both quantitative and qualitative data)
  - Focuses both on traditional measures of health (e.g., rates of disease) and on the **Social Determinants or Drivers of Health (SDoH)**
    - SDoH are the non-medical factors that influence health (such as the conditions of the places where people live, learn, work, and play that affect a wide range of health outcomes)
  - Establishes priority areas for community health improvement

2023 CHA/CHNA JOINT PROCESS

Napa County HHSA and Providence QVMC partnered to produce a joint health assessment in 2023

- A Human-Centered Design process was utilized to understand the personal, lived experiences of community members.
- Engagement focused on communities whose voices are often underrepresented or unheard in public discourse and with community leaders working in both paid and unpaid capacities.
- Listening sessions and key informant interviews included 137 individuals from across Napa County: American Canyon, Calistoga, Napa, St. Helena, and Yountville

Projective exercises and interactive activities were used to help participants delve deeper

NAPA COUNTY OLDER ADULTS ASSESSMENT

Methodology

1530 surveys

21 interviews

76 focus group participants

Between March and October 2023, the NOAA project management team, advised by the NOAA Steering Committee, collected data to inform the Needs Assessment by conducting an online and in-person non-scientific survey, focus groups, and Key Informant Interviews (KII) to obtain the opinions of older adults (60 and up) who live in or serve as a caregiver in Napa County.

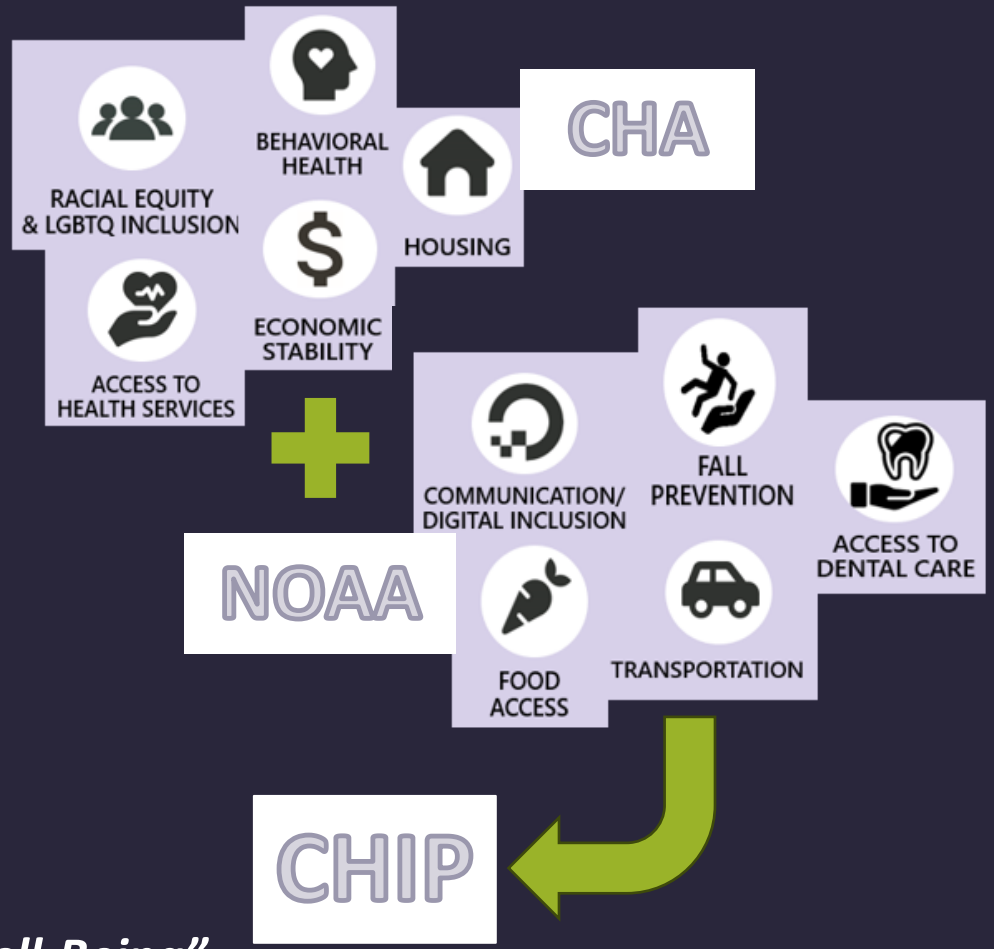
COMMUNITY HEALTH IMPROVEMENT PLAN (CHIP)

Priority areas identified through the CHA – and the NOAA – drive the Goals, Objectives, and Strategies that form our CHIP → Our roadmap to coordinating resources and targeting efforts for "*Collective Impact to enhance Community Health and Well-Being*"



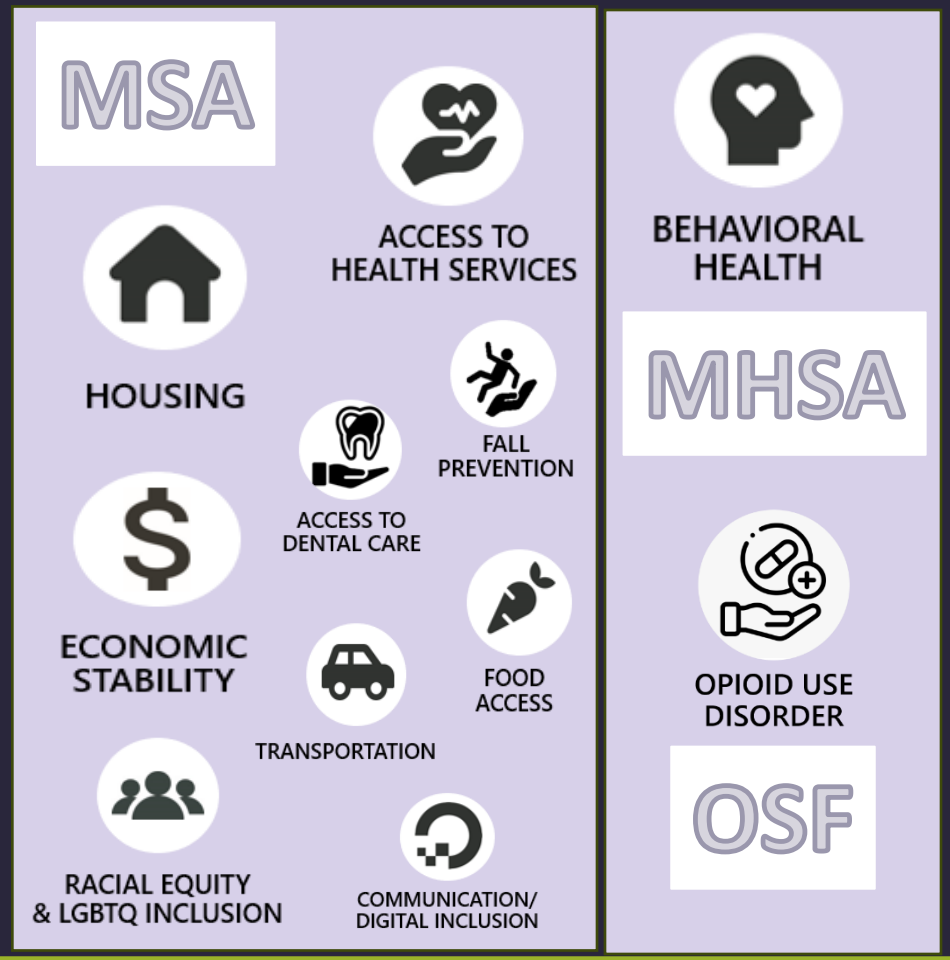
HHSA's Mission:

"To Serve our Community & Support its Health and Well-Being"

COLLECTIVE IMPACT: ALIGN PRIORITIES

NAPA COUNTY
Health & Human Services Agency

COLLECTIVE IMPACT: ALIGN PRIORITIES + LEVERAGE FUNDING



- Master Settlement Agreement (MSA) Grant Award → targets needs identified in CHA/NOAA Priority Areas: 1) Access to Health Services; 2) Housing; 3) Economic Stability; and 4) Racial Equity & LGBTQ Inclusion
- Mental Health Services Act (MHSA) RFP → targets Behavioral Health Priority Area (Mental Health) identified in CHA/NOAA; aligns with MHSA 3-Year Plan
- Opioid Settlement Funds (OSF) RFP → targets Behavioral Health Priority Area (Opioid Disorders) identified in CHA; aligns with Napa Opioid Safety Coalition (NOSC) Strategic Plan
- Funded Programs/Services = CHIP Strategies

OUR STRATEGIC PLAN IN ACTION: "COLLECTIVE IMPACT TO ENHANCE COMMUNITY HEALTH AND WELL-BEING"

GOAL 3

Collaborate with Community Partners to Maximize our Reach and Collective Impact to Enhance Community Health and Well-Being

- **Objective 1:** Align and leverage community assessments and action plans in conjunction with community partners and internally across HHSA's divisions.
- **Objective 2:** Leverage funding to create opportunities for coordinated care in alignment with community assessments that aim to address service gaps.
- **Objective 3**: Enhance bi-directional communication, information sharing, and coordination of service delivery, both internally and externally.
- **Objective 4**: Maximize partnerships with population and service-based advisory boards, councils, and coalitions.
