Community Participation

Please explain your reasons for wishing to serve and, in your opinion, how you feel you could contribute.

As the face of Child Start and Champion, I wholeheartedly believe that together our mission, vision, and values are in alignment. Together we are working to ensure that our most vulnerable children and families will benefit by participating in all the quality programs we have to offer, from our home visiting programs and Head Start classrooms, will become school-ready and have a great disadvantage going into Kindergarten.

Nature of activity and community location

Since 1965, Child Start has been serving more than 1,000 low-income families in the Head Start program each year. We provide comprehensive services for children 0-5 years of age and pregnant moms. We provide services in Napa and Solano Counties. For 58 years, we've been recognized as an early childhood leader throughout Napa and Solano Counties and have spearheaded several initiatives to benefit and improve the overall well-being of children and families.
