[External Email - Use Caution]

Kara and Molly,

Thanks for visiting the site today. I have a couple follow up items:

- I'm working on verifying if there is sufficient space to install bike lockers where we have bike racks planned. I'll keep you posted.
- The landscape plans offer a selection of trees that could be planted along Hwy 29 and one of the choices is Valley Oak. Blue Oaks are also on the menu for the southern property line. I'm happy making a commitment to plant the oaks because I agree with you two that it would be a nice compliment to the existing trees in the Sheehy Creek conservation easement.

Thanks again, Dave.
