Community Participation

Please explain your reasons for wishing to serve and, in your opinion, how you feel you could contribute.

Based upon my Volunteerism and Professional service to Napa County, I believe that I can offer helpful insights and valuable experience to the committee. I joined the Firefighter Explorer program in the early 1990s at the young age of 14. Having been around for quite a while, and planning to be around for a while yet. The Fire Department needs consistency with long-term plans and goals. I believe that I can help with that and many other areas. Having been on the Deer Park Station for so long, and Deer Park having been hit so hard by the Glass Fire, I want to help in any way that I can so other Napa County community residents do not have to go through what happened in the Glass Fire or the Tubbs Fire or the LNU Complex Fires.

Nature of activity and community location

I have lived both in Angwin and Deer Park. I did move to and live in Hidden Valley Lake for a time but have always remained rooted in Napa and has an active Firefighter with the Napa County Fire Department. Recently we were able to purchase a home in Angwin and move back.
