This IRREVOCABLE OFFER TO DEDICATE TITLE IN FEE AND DECLARATION OF RESTRICTIVE COVENANTS (“the offer”) is made this \_\_\_\_ day of \_\_\_\_\_, 2024, by the Napa County Flood Control and Water Conservation District (“the offeror”).

**Pertinent Facts**

- A. The offeror is the legal owner of real property in the County of Napa, State of California, Assessor’s Parcel Nos. 043-103-007, 043-103-021, 043-103-022 and a portion of 043-103-020 described in Exhibit A (“the real property”) and conveyed to the offeror under the grant deed recorded concurrently with this offer pursuant to the terms and conditions set forth in that certain Purchase and Sale Agreement between the offeror and Ailene M. - B. The offeror is a special district of the State of California.

- C. The offeror purchased the real property using funds from the California Department of Parks and Recreation's ("DPR") administration of the Federal Land and Water Conservation Fund, under DPR Grant 06-01874, and the funds from the California State Coastal Conservancy ("the Conservancy") authorized under Division 21 of the California Public Resources Code for grants to public agencies and nonprofit organizations for the acquisition of real property; and under unrecorded Conservancy Grant Agreement No. 23-098 ("the Conservancy grant agreement") between the offeror and the Conservancy. Specifically, the Conservancy provided funds from the Greenhouse Gas Reduction Fund, which authorizes acquisitions of real property for the purposes of urgent sea level rise adaptation and coastal resilience needs.
- D. The Conservancy grant agreement requires that the offeror permanently dedicate the real property for specified purposes.
- E. The offeror is executing this offer to comply with the Conservancy grant, and to protect the public's interest in the real property, which was acquired with the assistance of state funds.
- F. The offeror intends through this offer to bind itself and its assigns and successors in interest.

**The offeror hereby irrevocably offers to dedicate** fee title to the real property to the State of California, acting through the Conservancy, and agrees to the restrictive covenants, as follows, in light of the pertinent facts, above, and in consideration of the Conservancy's grant to the offeror for the acquisition of the real property and to preserve the public's interest in the real property.

1. **ACCEPTANCE OF OFFER.** This offer may be accepted only if the Conservancy finds that the existence of the offeror has terminated or termination is imminent; or that the offeror has violated with respect to the real property or any portion of it or interest in it one or more of the following restrictive covenants of this offer pursuant to this section 1 (collectively, the "restrictive covenants"):
  - a. The offeror has acquired the real property for the purposes of protection, restoration, and enhancement of natural and scenic resources, including wetlands and open space; and, to the extent compatible with the aforementioned purposes: public access, passive recreation, and California Native American tribal cultural uses. (collectively, the "acquisition purposes"); and no use of the real property inconsistent with the acquisition purposes is permitted.
  - b. The offeror shall use, manage, operate and maintain the real property consistent with the acquisition purposes.
  - c. The real property may not be used as security for any debt, in violation of section 2(b), below.
  - d. The real property may not be transferred without the written approval the Executive Officer of the Conservancy or its successor in violation of section 2(c), below.
  - e. The real property may not be used for mitigation in violation of section 2(d), below.

In addition, the Conservancy may accept this offer where the property is under threat of condemnation or has been condemned, subject to section 3, below.

Upon a finding by the Conservancy, following written notice and a reasonable opportunity to cure, that any of the restrictive covenants has been violated; or that the existence of the offeror has terminated for any reason prior to a transfer of the real property in compliance with this offer; or that the property is under threat of condemnation or has been condemned; a public agency or a nonprofit organization designated by the Conservancy and which has agreed to accept the obligations of the offeror under this offer (“Accepting Party”), may accept this offer in accordance with law, by recording in the Official Records of Napa County a Certificate of Acceptance substantially in the form of the attached Exhibit B. Acceptance of this offer will have the effect of a grant of the real property to the Accepting Party.

2. **DECLARATION OF RESTRICTIONS.** The offeror declares that the real property shall be held, used, and conveyed subject to the following restrictions:
  - a. **Use of the real property.** The real property shall be used, managed, operated and maintained for the acquisition purposes, except to the extent that Pritchett is permitted to continue existing vineyard operations on the real property through 2024.
  - b. **Use of the real property as security for debt.** The offeror shall not use the real property as security for any debt without the written approval of the Executive Officer of the Conservancy.
  - c. **Transfer of the real property.** Transfer of the real property is subject to the prior written approval of the Executive Officer of the Conservancy. The transferee shall be subject to all provisions of this offer, including, without limitation, the use restrictions. If the Conservancy deems necessary, prior to the Conservancy’s approval of any transfer of the real property, the transferee and the Conservancy shall enter into a new agreement sufficient to protect the interest of the people of California.
  - d. **Mitigation.** The real property shall not be used for mitigation (in other words, to compensate for adverse changes to the environment elsewhere) without the written permission of the Executive Officer of the Conservancy. In providing permission, the Conservancy may require that all funds generated in connection with any authorized or allowable mitigation on the real property shall be promptly remitted to the Conservancy, proportionate with the Conservancy’s contribution to the total acquisition price of the real property.
3. **CONDEMNATION.** Condemnation means a permanent taking through the exercise of any government power (by legal proceedings or otherwise) by any party having the right of eminent domain (“condemnor”); or through a voluntary sale or transfer by the offeror to any condemnor, either under threat of exercise of eminent domain by a condemnor or while legal proceedings for eminent domain are pending. If the real property is under threat of condemnation or has been condemned, the offeror shall promptly notify the Conservancy in

writing, and shall use its best efforts to obtain the maximum compensation possible. Upon receiving condemnation proceeds, the offeror shall promptly pay to the Conservancy a percentage of the condemnation proceeds equivalent to the percentage of the total acquisition cost originally contributed by the Conservancy.

If the Accepting Party accepts the offer due to threat of condemnation and receives proceeds following condemnation, the Accepting Party shall distribute a proportionate share to the offeror. If an Accepting Party accepts the OTD due to threat of condemnation, and condemnation does not occur, then the Accepting Party shall either reconvey the real property to the offeror or pay to the offeror the amount of the offeror's contribution to the original acquisition, unless the Accepting Party and the offeror agree otherwise.

4. **MONITORING AND INSPECTION OF THE PROPERTY.** On reasonable prior written notice from the Conservancy, the offeror shall allow the Conservancy to inspect the real property to ascertain compliance with the restrictive covenants of this offer.

The offeror shall comply with the Conservancy's requests for information regarding the offeror's compliance with the restrictive covenants of this offer ("monitoring information"). The Conservancy has the discretion, which shall be exercised reasonably, to determine when to request monitoring information and which monitoring information to request. Unless directed otherwise by the requesting agency, the offeror shall, in the manner specified by the Conservancy, return written responses to the Conservancy within 60 days of offeror's receipt of a request for monitoring information. The offeror shall inspect the real property regularly and take other actions as necessary to ensure that monitoring information is accurate.

6. **OTHER REMEDIES.** Notwithstanding any other provision of this offer, the Conservancy may use any remedy available in law or equity to enforce the covenants and restrictions contained in this offer.
7. **BENEFIT AND BURDEN.** This offer shall run with and burden the real property. All obligations, terms, conditions, and restrictions imposed by this offer shall be deemed covenants and restrictions running with the land, shall be effective limitations on the use of the real property from the date of recordation of this document, and shall bind the offeror and all its successors and assigns. This offer benefits the State of California.
8. **SUCCESSORS AND ASSIGNS.** The provisions of this offer shall bind and inure to the benefit of the successors and assigns of both the offeror and the Conservancy, whether voluntary or involuntary.
9. **CONSTRUCTION OF VALIDITY.** If a court in a final determination holds any provision of these restrictions invalid, or if, for any other reason it becomes unenforceable, no other provision shall be affected.
10. **TERM.** This offer is irrevocable.

11. **AMENDMENT**. No change in this offer will be valid unless made in writing, signed by the offeror and the Agencies, and recorded in the official records of Napa County, California.

***Grant Contract Provisions***

**Part I - Definitions**

A. The term “NPS” as used herein means the National Park Service, United States Department of the Interior.

B. The term “Director” as used herein means the Director of the National Park Service, or any representative lawfully delegated the authority to act for such Director.

C. The term “Secretary” as used herein means the Secretary of the Interior, or any representative lawfully delegated the authority to act for such Secretary.

D. The term “State” as used herein means the State, Territory, or District of Columbia that is a party to the project agreement, and, where applicable, the political subdivision or public agency to which funds are to be subawarded pursuant to this agreement. Wherever a term, condition, obligation, or requirement refers to the State, such term, condition, obligation, or requirement shall also apply to the recipient political subdivision or public agency, except where it is clear from the nature of the term, condition, obligation, or requirement that it is to apply solely to the State. For purposes of these provisions, the terms “State,” “grantee,” and “recipient” are deemed synonymous.

E. The term “Land and Water Conservation Fund” or “LWCF” as used herein means the Financial Assistance to States section of the LWCF Act (Public Law 88-578, 78 Stat 897, codified at 54 U.S.C. § 2003), which is administered by the NPS.

F. The term “Manual” as used herein means the Land and Water Conservation Fund State Assistance Program Manual, Volume 71 (March 11, 2021).

G. The term “project” as used herein means a Land and Water Conservation Fund grant which is subject to the grant agreement and/or its subsequent amendments.

**Part II - Continuing Assurances**

The parties to the grant agreement specifically recognize that accepting LWCF assistance for the project creates an obligation to maintain the property described in the agreement and supporting application documentation consistent with the LWCF Act and the following requirements.

Further, it is the acknowledged intent of the parties hereto that recipients of LWCF assistance will use monies granted hereunder for the purposes of this program, and that assistance granted from the LWCF will result in a net increase, commensurate at least with the Federal cost-share, in a participant's outdoor recreation.

It is intended by both parties hereto that the LWCF assistance will be added to, rather than replace or be substituted for, State and/or local outdoor recreation funds.

A. The State agrees, as recipient of the LWCF assistance, that it will meet the LWCF General Provisions, and the terms and provisions as contained or referenced in, or

attached to, the NPS grant agreement and that it will further impose these terms and provisions upon any political subdivision or public agency to which funds are subawarded pursuant to the grant agreement. The State also agrees that it shall be responsible for compliance with the terms and provisions of the agreement by such a political subdivision or public agency and that failure by such political subdivision or public agency to so comply shall be deemed a failure by the State to comply.

B. The State agrees that the property described in the grant agreement and depicted on the signed and dated project boundary map made part of that agreement is being acquired or developed with LWCF assistance, or is integral to such acquisition or development, and that, without the approval of the Secretary, it shall not be converted to other than public outdoor recreation use but shall be maintained in public outdoor recreation in perpetuity or for the term of the lease in the case of property leased from a federal agency. The Secretary shall approve such conversion only if it is found to be in accord with the then existing statewide comprehensive outdoor recreation plan and only upon such conditions deemed necessary to assure the substitution of other recreation properties of at least equal fair market value and of reasonably equivalent usefulness and location (54 U.S.C. 200305(f)(3)). The LWCF post-completion compliance regulations at 36 C.F.R. Part 59 provide further requirements. The replacement land then becomes subject to LWCF protection. The approval of a conversion shall be at the sole discretion of the Secretary, or her/his designee.

Prior to the completion of this project, the State and the Director may mutually agree to alter the area described in the grant agreement and depicted in the signed and dated project boundary map to provide the most satisfactory public outdoor recreation unit, except that acquired parcels are afforded LWCF protection as Fund reimbursement is provided.

In the event the NPS provides LWCF assistance for the acquisition and/or development of property with full knowledge that the project is subject to reversionary rights and outstanding interests, conversion of said property to other than public outdoor recreation use as a result of such right or interest being exercised will occur. In receipt of this approval, the State agrees to notify the NPS of the potential conversion as soon as possible and to seek approval of replacement property in accord with the conditions set forth in these provisions and the program regulations. The provisions of this paragraph are also applicable to: leased properties developed with LWCF assistance where such lease is terminated prior to its full term due to the existence of provisions in such lease known and agreed to by the NPS; and properties subject to other outstanding rights and interests that may result in a conversion when known and agreed to by the NPS.

C. The State agrees that the benefit to be derived by the United States from the full compliance by the State with the terms of this agreement is the preservation, protection, and the net increase in the quality and quantity of public outdoor recreation facilities and resources which are available to the people of the State and of the United States, and such benefit exceeds to an immeasurable and unascertainable extent the amount of money furnished by the United States by way of assistance under the terms of this agreement. The State agrees that payment by the State to the United States of an amount equal to the amount of assistance extended under this agreement by the United

States would be inadequate compensation to the United States for any breach by the State of this agreement.

The State further agrees, therefore, that the appropriate remedy in the event of a breach by the State of this agreement shall be the specific performance of this agreement or the submission and approval of a conversion request as described in Section II.B above.

D. The State agrees to comply with the policies and procedures set forth in the Manual. Provisions of said Manual are incorporated into and made a part of the project grant agreement.

E. The State agrees that the property and facilities described in the grant agreement shall be operated and maintained as prescribed by Manual requirements and published post-completion compliance regulations (36 C.F.R. Part 59).

F. ### **K. Build America, Buy America**

As required by Section 70914 of the Bipartisan Infrastructure Law (also known as the Infrastructure Investment and Jobs Act), P.L. 117-58, on or after May 14, 2022, none of the funds under a federal award that are part of Federal financial assistance program for infrastructure may be obligated for a project unless all of the iron, steel, manufactured products, and construction materials used in the project are produced in the United States, unless subject to an approved waiver. The requirements of this section must be included in all subawards, including all contracts and purchase orders for work or products under this program.

Recipients of an award of Federal financial assistance are hereby notified that none of the funds provided under this award may be used for a project for infrastructure unless:

1. all iron and steel used in the project are produced in the United States--this means all manufacturing processes, from the initial melting stage through the application of coatings, occurred in the United States;
2. all manufactured products used in the project are produced in the United States —this means the manufactured product was manufactured in the United States; and the cost of the components of the manufactured product that are mined, produced, or manufactured in the United States is greater than 55 percent of the total cost of all components of the manufactured product, unless another standard for determining the minimum amount of domestic content of the manufactured product has been established under applicable law or regulation; and
3. all construction materials are manufactured in the United States—this means that all manufacturing processes for the construction material occurred in the United States.

The Buy America preference only applies to articles, materials, and supplies that are consumed in, incorporated into, or affixed to an infrastructure project. As such, it does not apply to tools, equipment, and supplies, such as temporary scaffolding, brought to the construction site and removed at or before the completion of the infrastructure project. Nor does a Buy America preference apply to equipment and furnishings, such as movable chairs, desks, and portable computer equipment, that are used at or within

the finished infrastructure project but are not an integral part of the structure or permanently affixed to the infrastructure project.

For further information on the Buy America preference, please visit [www.doi.gov/grants/BuyAmerica](http://www.doi.gov/grants/BuyAmerica). Additional information can also be found at the White House Made in America Office website: [www.whitehouse.gov/omb/management/made-in-america/](http://www.whitehouse.gov/omb/management/made-in-america/).

### *Waivers*

When necessary, recipients may apply for, and the Department of the Interior (DOI) may grant, a waiver from these requirements, subject to review by the Made in America Office. The DOI may waive the application of the domestic content procurement preference in any case in which it is determined that one of the below circumstances applies:

1. Non-availability Waiver: the types of iron, steel, manufactured products, or construction materials are not produced in the United States in sufficient and reasonably available quantities or of a satisfactory quality;
2. Unreasonable Cost Waiver: the inclusion of iron, steel, manufactured products, or construction materials produced in the United States will increase the cost of the overall project by more than 25 percent; or
3. Public Interest Waiver: applying the domestic content procurement preference would be inconsistent with the public interest.

There may be instances where an award qualifies, in whole or in part, for an existing DOI general applicability waiver as described at: [www.doi.gov/grants/BuyAmerica/GeneralApplicabilityWaivers](http://www.doi.gov/grants/BuyAmerica/GeneralApplicabilityWaivers).

If the specific financial assistance agreement, infrastructure project, or non-domestic materials meets the criteria of an existing general applicability waiver within the limitations defined within the waiver, the recipient is not required to request a separate waiver for non-domestic materials.

If a general applicability waiver does not already apply, and a recipient believes that one of the above circumstances applies to an award, a request to waive the application of the domestic content procurement preference may be submitted to the financial assistance awarding officer in writing. Waiver requests shall include the below information. The waiver shall not include any Privacy Act information, sensitive data, or proprietary information within their waiver request. Waiver requests will be posted to [www.doi.gov/grants/buyamerica](http://www.doi.gov/grants/buyamerica) and are subject to public comment periods of no less than 15 days. Waiver requests will also be reviewed by the Made in America Office.

1. Type of waiver requested (non-availability, unreasonable cost, or public interest).
2. Requesting entity and Unique Entity Identifier (UEI) submitting the request.
3. Department of Interior Bureau or Office who issued the award.

4. Federal financial assistance listing name and number (reference block 2 on DOI Notice of Award)
5. Financial assistance title of project (reference block 8 on DOI Notice of Award).
6. Federal Award Identification Number (FAIN).
7. Federal funding amount (reference block 11.m. on DO Notice of Award).
8. Total cost of Infrastructure expenditures (includes federal and non-federal funds to the extent known).
9. Infrastructure project description(s) and location(s) (to the extent known).
10. List of iron or steel item(s), manufactured goods, and construction material(s) the recipient seeks to waive from Buy America requirements. Include the name, cost, countries of origin (if known), and relevant PSC or NAICS code for each.
11. A certification that the recipient made a good faith effort to solicit bids for domestic products supported by terms included in requests for proposals, contracts, and nonproprietary communications with the prime contractor.
12. A statement of waiver justification, including a description of efforts made (e.g., market research, industry outreach) by the recipient, in an attempt to avoid the need for a waiver. Such a justification may cite, if applicable, the absence of any Buy America compliant bids received in response to a solicitation.
13. Anticipated impact if no waiver is issued. Approved waivers will be posted at [www.doi.gov/grants/BuyAmerica/ApprovedWaivers](http://www.doi.gov/grants/BuyAmerica/ApprovedWaivers); recipients requesting a waiver will be notified of their waiver request determination by an awarding officer.

Questions pertaining to waivers should be directed to the financial assistance awarding officer.
