Community Participation

Please explain your reasons for wishing to serve and, in your opinion, how you feel you could contribute.

I have had the opportunity to serve the community of Napa for about 20 years now in the capacity of a Deputy Sheriff and CEO of an organization that helps men overcome addiction and reintegrate into society. I have learned a lot about people and addiction and how to support people battling addiction. I hope to be able to use my experience to support the CCP efforts and further serve our community.

Nature of activity and community location

For the past 5 years I have served as the CEO of The bridge Napa, a 12-month intensive residential program for men desiring to overcome addiction. The bridge Napa provides residential and job training support in addition to general case management services and support. In this capacity, I have talked to hundreds of individuals battling addiction from all different walks of life and their families. I have learned of the great deal of effort, patience, compassion, and care it takes to support all those involved in the recovery process.

c/o: Amanda Gibbs – Chief Probation Officer
212 Walnut St. Napa, Ca. 94558

Re: Community Based Organization opening

Chief Gibbs,

It is with excitement that I submit my application for your review as a candidate for the CCP Community-Based Organization opening. With almost 16 years of experience as a Deputy Sheriff with the Napa County Sheriff's Office, I had the opportunity to conduct hundreds of investigations while serving in Patrol, with the Problem Oriented Policing Program, as a Bailiff, and as a Property Crimes Detective. While noted experience is beneficial to the position, I hope to impress my passion to serve and helping people. As the CEO for a Napa-based non-profit organization, The Bridge Napa, for the last five years, I've had the joy and privilege of supporting individuals from different walks of life and backgrounds that struggle with addiction and seek recovery to successfully reintegrate into the community.

Professional qualities, experience and skills obtained during my exposures in both sectors have been key in developing a strong leadership foundation where adaptability and emotional intelligence has been at the core of collaborations with citizens, public officials and colleagues.

During my past and present employment, I've had the opportunity to work with individuals of the same demographic that the CCP serves. I have developed a strong ability to be compassionate yet, hold individuals responsible for their actions, which I hope would serve well in this capacity.

Thank you in advance for your time and consideration. I am hopeful and confident that, if given the opportunity, I would be an asset to the Community Corrections Partnership. I look forward to the opportunity to meet with you.

Respectfully,

Aaron Mosley II
