Work History

Stationary Engineer at San Francisco Public Utilities Commission February 2024: Present

- Operating water treatment and distributions facility without direct supervision; serving as liaison between department head, city staff, and the public.
- Repairing automatic and manually controlled water treatment and distribution
- Maintaining records on shift operation by taking and entering meter and gauge readings, editing and formatting PowerPoint presentations and reports.
- Responsible for receiving, recording, storing, and handling of large amounts of treatment chemicals in confined or enclosed areas.
- Choosing optimal courses of action in a timely manner.
- Working with electronic hardware and software applications to conduct water analysis and regulate treatment chemical dosages to maintain water quality in a water treatment plant, water distribution system, or other large complex facility.

- Communicated verbally and in writing with supervisor(s), craft, and support personnel.

Lead Plant Operator III, City of American Canyon, CA: June 2021- February 2024

- Leadership position. Planned, reviewed, and provided evaluative input of assigned personnel performance; assisted in training, development and hiring of new employees.
- Ensured safe, efficient, and effective plant operation environment, complying with regulatory guidelines, and meeting facility goals and objectives.
- Assumed progressively greater responsibility for safety and training of assigned shifts.
- Monitored and interpreted meter readings and gauges at various stages of the treatment process and adjusted controls as needed.

Jun. 2017 - Jun. 2021: Water Distribution Operator, City of American Canyon, CA

- Installed, operated, maintained, and repaired city water distribution system and water meters.
- Initiated and maintained and repairing water mains, service laterals, fire hydrants, valves, meters, meter vaults and other water system facilities using variety of hand tools, pneumatic tools, and hydraulic tools such as jackhammer, shovel, spade, and tamper.
- Set up traffic control including signs and barricades, and direct traffic around work sites; operate large trucks and medium-sized construction equipment.

Aug. 2014 – Nov. 2016: Assistant Maintenance Worker, City of American Canyon, CA

Performed a variety of infrastructure maintenance and construction duties, operating Public Works equipment.

- Adhered to safe work practices, including communicating manual labor objectives as directed.
- Developed, coordinated, and implemented audits for technical maintenance of assigned areas.
- Documented assigned tasks in area of responsibility; explained and interpreted assignment area policies and procedures to internal or external stakeholders.
- Performed technical and paraprofessional duties related to assignment including interpreting, analyzing, and determining compliance or acceptance of information and materials; prepared reports to document results of duties performed.

Certifications

- Water Treatment Specialist Certificate, Sacramento State Water Programs.
- Water Treatment 4 Certification, March 2024.
- Distribution 2 Certification, March 2022.
- CWEA Collections 1, March 2021.
- Qualified Applicator Certification with Landscape Endorsement, August 2017.
- Commercial A license.
