

2026 List of Approved Proclamations

The Board has authorized staff to prepare the following proclamations for 2026. The individual proclamations will be included on the Board’s future agendas for individual adoption. Generally, no more than 3 proclamations should be presented at a Board meeting.

In lieu of a presentation during the Board meeting, proclamations may be included on the Board’s consent calendar and presented offsite.

NOTE: The Board has delegated authority to the CEO to prepare proclamations (with electronic signatures of all five Board Members) recognizing retiring County employees who have served 20 or more years and any retiring department head/County elected official/judge without the need for the proclamation to be formally approved by the Board.
