Pursuant to the terms and conditions of this subsection, Buyer shall have the right to approve any and all matters of and exceptions to title of the Property, as disclosed by the following documents and instruments (collectively, "**Title Documents**"): (A) a Preliminary Report issued by Escrow Holder with respect to the Property; and (B) legible copies of all documents, whether recorded or unrecorded, referred to in such Preliminary Report. Buyer shall have ten (10) business days following the Effective Date to give State and Escrow Holder written notice ("**Buyer's Title Notice**") of Buyer's approval or disapproval of the Title Documents. The failure of Buyer to give Buyer's Title Notice to State within the specified time period shall be deemed Buyer's approval of the Title Documents. In the event that Buyer's Title Notice disapproves of any matter of title shown in the Title Documents, State shall, within seven (7) business days after Buyer's Title Notice is received by State, give Buyer written notice ("**State's Title Notice**") of those disapproved title matters, if any, which State is unwilling or unable after reasonable and good faith efforts to have eliminated from title to the Property by the Close of Escrow. If State's Title Notice refuses to remove any items disapproved by Buyer, or fails to deliver State's Title Notice, Buyer's sole remedy shall be to (i) proceed with the transaction contemplated hereby despite such objections, which shall thereupon irrevocably be deemed to have been withdrawn, or (ii) terminate this Agreement. Failure of Buyer to take either one of the actions described in clause (i) or (ii) in the previous sentence shall be deemed to be Buyer's election to take the action described in clause (i). If this Agreement is terminated pursuant to this Section 7(a)(i), Buyer shall comply with the terms of Section 22(n), and, except as otherwise provided in this Agreement, State and Buyer will have no further obligations or rights to one another under this Agreement;

(ii) Inspections and Studies/Costs. Nothing herein shall authorize any subsurface testing or drilling on the Property by Buyer or its environmental consultants unless specifically approved in writing by State, which State may condition or deny in its sole and absolute discretion. The cost of any such inspections, tests and/or studies shall be borne by Buyer. If Buyer desires to conduct invasive testing at the Property, Buyer and State shall enter into State's invasive testing entry license to facilitate such testing.

(iii) Right of Entry; Indemnification. Between the Effective Date and the Close of Escrow (provided that Buyer approves the Property prior to the expiration of the Contingency Period), Buyer and Buyer's employees, agents, contractors, subcontractors and consultants (collectively, "**Buyer's Representatives**") shall have the right to enter upon the Property, at reasonable times during ordinary business hours, upon notice to State at least 24 hours' notice by email (Section 19 below) prior to entry, to perform non-destructive inspections, investigations, tests and studies. Buyer, in performing its non-destructive inspections, investigations, tests and studies hereunder shall not unreasonably interfere with the operation of the Property, and agrees to coordinate its activities on the Property with State in advance to avoid any such interference. Following any such non-destructive tests or inspections, Buyer agrees to promptly return any portions of the Property damaged or altered by Buyer during such tests or inspections to substantially the same condition which existed prior to such test or inspection. In the event Buyer fails to promptly restore Property in accordance with the preceding sentence, State may, in its sole and absolute discretion, restore the Property and all costs and expenses shall be paid immediately by Buyer upon demand by State. Buyer shall indemnify, defend and hold State, including its agencies, departments, boards, commissions, officers, agents, employees and the Property harmless from any and all claims, damages or liabilities arising out of or resulting from the entry onto or activities upon the Property by Buyer or Buyer's Representatives or liens arising from Buyer's due diligence review of the Property. (iv) Contingency Period Notice. Prior to the expiration of the Contingency Period, Buyer shall deliver to State and Escrow Holder written notice ("**Contingency Period Notice**") of its approval or disapproval of the Property and the Documents and Materials (as defined in Section 7(a)(viii) below). The failure of Buyer to timely

deliver the Contingency Period Notice shall be deemed to constitute Buyer's approval of the Property and the Documents and Materials. In the event Buyer timely delivers the Contingency Period Notice to State disapproving the Property then provided that Buyer has complied with the terms of Section 22(n) below), and, except as otherwise provided in this Agreement, State and Buyer will have no further obligations or rights to one another under this Agreement. If this Agreement is terminated pursuant to this subsection, Buyer shall deliver to State (i) the Documents and Materials delivered to Buyer by State, and (ii) at no cost and without warranty as to correctness, copies of all reports, studies, maps and engineering studies that were generated by third parties for Buyer with respect to the Property, including, but not limited to, all environmental reports, surveys, marketing reports, geotechnical reports, lot studies and improvement plans.

By executing this Agreement, Buyer acknowledges receipt of the Documents and Materials on or before June 1, 2024. State makes no representation concerning the adequacy or accuracy of any of the Documents and Materials. These materials have been furnished solely for the purpose of assisting Buyer in its due diligence, a part of which is Buyer's independent determination as to the reliability and completeness of the information contained therein. If this Agreement is terminated for any reason, Buyer shall deliver to State (1) the Documents and Materials delivered to Buyer by State, and (2) a/t no cost and without warranty as to correctness, copies of all inspections, investigations, tests and studies that were generated by Buyer and/or by third parties for Buyer with respect to the Property, including, but not limited to, all environmental reports, surveys, marketing reports, geotechnical reports, studies, maps and engineering studies, lot studies and improvement plans.
