Community Participation

Please explain your reasons for wishing to serve and, in your opinion, how you feel you could contribute.

For over 50 years my connection to the outdoors in Napa County has been deeply personal -- from catching my first fish in a local reservoir and playing "chipmunk cheeks" stuffing my cheeks with vineyard grapes in my youth to current-day hiking, fly fishing, and kayaking. Over the course of my 30+ year professional career I've gained a broad understanding of grant processes including what makes a compelling proposal, how to identify impactful recipient organizations, and how to effectively manage and monitor the awards. Combining my lifelong love for the natural world with my professional expertise to support local environmental conservation and education would be a true privilege.
