For Conflict of Interest purposes

Please explain your reasons for wishing to serve and, in your opinion, how you feel you could contribute.*

There is no doubt that housing is one of the top issues in our county. With my involvement in the farmworker centers and on the NVV housing task force, I am very aware of the forward progress being made by the county. I would like to support the current effort and be part of this progress. I will bring a hard working, boots on the ground, "get it done" approach to my seat on this commission. There is homework and work necessary to continue what the county has in motion and I will answer the bell in that regard.
