Dear Supervisors Ryan Gregory, Joelle Gallagher, Anne Cottrell, Alfredo Pedroza, and Belia Ramos;

This letter is a personal recommendation for Ms. Julia Hagen for appointment to fill one of our vacancies on the Napa County Veterans' Commission. She is a woman who has served our country during challenging times and has a keen and deeply personal understanding of Veterans needs. This alone makes her a perfect fit for this role.

I have seen her demonstrate strengths in productive collaboration, and problem solving. She is intelligent and has high moral standards. She is highly organized and dedicated in everything that she does, and because of that dedication, I believe she will have a positive and significant impact on our Commission that will last for years to come.

With all of this said, I believe she is uniquely qualified to fill one of our vacancies and to serve on the Napa County Veterans' Commission and I would be truly grateful for her appointment to the Commission and honored to serve alongside her in that capacity.

If you have any questions about my recommendation for Ms. Julia Hagen, please feel free to reach out to me at [REDACTED] or by email at [REDACTED].

With warmest appreciation for your excellence in service to our community,

Rose Sheehan
