LEGISLATIVE COUNSEL'S DIGEST

AB 595, as amended, Essayli. Animal shelters: 72-hour public notice: euthanasia: study.

Existing law declares that it is the policy of the state that no adoptable animal should be euthanized if it can be adopted into a suitable home. Existing law also declares that it is the policy of the state that no treatable animal should be euthanized. Existing law provides that a violation of the Food and Agricultural Code is a misdemeanor, unless a different penalty is expressly provided.

This ~~bill~~ *bill, Bowie's Law*, would require all animal shelters, as defined, to provide public notice on their internet website at least 72 hours before euthanizing ~~an adoptable dog or cat, as defined, any animal~~ and include the date that an ~~adoptable dog or cat~~ *animal* is scheduled to be euthanized, *except* as provided. By creating new requirements regarding this public notice, the violation of which would be a crime, *and by imposing new requirements on a public animal control agency or shelter*, the bill would constitute a state-mandated local program.

The bill would also require the Department of Food and Agriculture to conduct a study on the overcrowding of California’s animal shelters, the ways in which the state might address animal shelter overcrowding, and the feasibility of a statewide database of ~~adoptable dogs or cats, as specified.~~ *dogs and cats that provides public notice and information at the statewide level, as specified.* The bill would require the department to, on or before January 1, 2026, submit a report on its study findings to the Legislature, as provided. The bill would repeal these study and reporting requirements on January 1, 2027.

~~The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.~~

~~This bill would provide that no reimbursement is required by this act for a specified reason.~~

The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that with regard to certain mandates no reimbursement is required by this act for a specified reason.

With regard to any other mandates, this bill would provide that, if the Commission on State Mandates determines that the bill contains costs so mandated by the state, reimbursement for those costs shall be made pursuant to the statutory provisions noted above.

State-mandated local program: yes.
