EXHIBIT “A”
NAPA COUNTY CONFLICT OF INTEREST CODE
Effective June 1, 2024

Section 1. Citation and Incorporation of Standard Conflict of Interest Code.

The Political Reform Act (Govt. Code sec. 81000, *et seq.*) requires state and local government agencies to adopt and promulgate conflict of interest codes. The Fair Political Practices Commission has adopted a regulation (2 Cal. Code of Regs. sec. 18730) that contains the terms of a standard conflict of interest code, which can be incorporated by reference in an agency’s code. After public notice and hearing, the standard code may be amended by the Fair Political Practices Commission to conform to amendments in the Political Reform Act. Therefore, the terms of 2 Cal. Code of Regs. sec. 18730 and any amendments to it duly adopted by the Fair Political Practices Commission are hereby incorporated by reference. This regulation, the additional provisions set forth below, and the attached Appendices, designating positions and establishing disclosure categories, shall constitute the conflict of interest code of Napa County (“County”). This document and its attached Appendices may together be cited as the Napa County Conflict of Interest Code (“Code”).

Section 2. Definitions.

- A. The definitions contained in the Political Reform Act and the regulations of the Fair Political Practices Commission, as amended from time to time, are hereby incorporated by reference into this Code.
- B. “Filing Officer” shall mean the office or officer with whom any statement or report is required to be filed by the Act or its implementing regulations. If copies of a statement or report are required to be filed with more than one office or officer, the one first named is the filing officer, and the copy filed with the filing officer shall be signed in the original and shall be deemed the original copy. The filing officer for each designated employee is the Elections Division of the office of the Assessor-Recorder-County Clerk.
- C. “Statement of Economic Interests” refers to that document developed by the Fair Political Practices Commission and more commonly known and referred to as “Form 700.”

Section 3. Designated Employees.

Individuals holding designated positions shall file their statements of economic interests with the County, which will make the statements available for public inspection and reproduction (Govt. Code sec. 81008). All statements will be retained by the County. Statements may be retained and made available electronically. The persons holding the positions listed in Appendix “A” are the designated employees. It has been determined that these persons make or participate in the making of decisions which may foreseeably have a material effect on their economic interests.

Note: State law, rather than the Napa County Conflict of Interest Code, governs the disclosure requirements for members of the Planning Commission and the Board of Supervisors, the District Attorney, the County Counsel, the County Treasurer, the Chief Executive Officer, and other public officials who manage public investments (Govt. Code sec. 87200 *et seq.*). In accordance with Govt. Code 87302(a), the Napa County Conflict of Interest Code does not list these positions as “Designated Employees”.

Section 4. Disclosure Categories.

A. The disclosure categories set forth in Appendix “B” specify which kinds of economic interests are reportable. All designated employees shall disclose in their statement of economic interests those economic interests described in the disclosure category to which they are assigned in Appendix “A.” It has been determined that the economic interests set forth in each designated employees’ disclosure category are the kinds of economic interests which it is foreseeable the employees could materially affect through the conduct of their offices.

Section 5. Statements of Economic Interests; Place of Filing.

All designated employees shall file statements of economic interests with the Filing Officer. The Filing Officer may implement, consistent with all approvals required and regulations of the Fair Political Practices Commission, an electronic system through which designated employees shall file statements of economic interests.
